Important Information About the Provider Directory:

Blue Cross® Blue Shield® Licensees, including Highmark Blue Cross Blue Shield Delaware ("Highmark Delaware"), have made significant efforts to ensure that the list of providers displayed is up to date and accurate. The Highmark Delaware Provider Directory is updated weekly. Please call the provider before making an appointment to verify that the provider continues to be part of the network. Members should refer to their benefit contract or contact their Plan's Customer Service department to determine if the provider type is covered. Members should also ask Customer service if the treatment requested from a network provider is covered. Neither the Blue Cross and Blue Shield Association or any of its Licensees shall be liable for any losses, damages, or uncovered charges as a result of using this provider locator Website or receiving care from a provider listed in this Website. To report inaccurate information contained in the Highmark Delaware Provider Directory, please call the Customer Service phone number on the back of your Member ID card or submit a Customer Service online form at highmarkbcbdsde.com.

If you are viewing a printed copy of the directory, additional information and search assistance can be found on the Highmark Delaware website at highmarkbcbdsde.com.

Marketplace Network Design Criteria for Doctors and Hospitals:

All of our networks, including those used for our Marketplace Silver Plans, consist of a full range of primary care and specialist clinicians and hospitals. When developing our networks, consideration is made of the location of all types of clinicians and hospitals in relation to where our members live. Our aim is for all members to have access within a reasonable distance to all types of clinicians and hospitals. The Plan includes clinicians and hospitals in our Marketplace networks based on their ability to provide care to members. For some of our Marketplace products that use a narrow network in Pennsylvania (PA), we select clinicians who are able to provide patient care in our Marketplace narrow network hospitals, who meet certain nationally recognized quality standards that are developed and approved by the National Committee for Quality Assurance (e.g., comprehensive diabetes care, colorectal and breast cancer screenings, and well child visits), and cost/utilization performance measures, such as risk adjusted total cost of care, compared to the market. We also select hospitals to participate in our narrow Marketplace networks in PA based on their agreement to accept the Marketplace reimbursement rate.

Additional Information for Members Whose Health Benefit Policies or Plans are Subject to Delaware Insurance Law:

You have the right to request a printed copy of the Highmark Delaware provider directory by: 1) contacting the Customer Service phone number on the back of your Member ID card; 2) submitting a Customer Service online form at highmarkbcbsde.com ; or 3) mailing your request in writing to Highmark Blue Cross Blue Shield Delaware, P.O. Box 1991, Wilmington, DE 19899-1991

Please Note: Every provider that you use must clearly disclose to you in writing if they (or any provider practicing in their group practice or facility) are not in your health plan network (non-network). Each non-network provider must obtain your prior written consent to treat you. You have the right not to be balanced billed by a non-network provider if the non-network provider (or the facility based provider employing non-network facility based providers) fails to provide you with this written disclosure and did not obtain your written consent. This requirement includes disclosure of non-network lab services ordered by your provider or facility.

Discrimination is Against the Law

The Plan complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex. The Plan does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex. The Plan:

- Provides free aids and services to people with disabilities to communicate effectively with us, such as:
 - Qualified sign language interpreters
 - Written information in other formats (large print, audio, accessible electronic formats, other formats)
- Provides free language services to people whose primary language is not English, such as:
 - Qualified interpreters
 - Information written in other languages

If you need these services, contact the Civil Rights Coordinator.

If you believe that the Plan has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance with: Civil Rights Coordinator, P.O. Box 22492, Pittsburgh, PA 15222, Phone: 1-866-286-8295, TTY: 711, Fax: 412-544-2475, email: CivilRightsCoordinator@highmarkhealth.org. You can file a grievance in person or by mail, fax, or email. If you need help filing a grievance, the Civil Rights Coordinator is available to help you.
